

CS 556 Group Project: Admission Prediction Report

Name: Mingjing Yuan

CWID: 20034263

1. Linear Regression Model

Training MSE: 0.00387

Test MSE: 0.00462

2. PCA + Regression Model

Training MSE: [to be added]

Test MSE: [to be added]

3. Salient Project Features

- Used cleaned dataset (admission_data_standardized.csv)
- 80/20 train-test split applied
- Linear Regression trained on all features
- PCA for dimensionality reduction (2 components)
- Model performance compared via MSE
